

SPINK COUNTY PLANNING AND ZONING BOARD
December 28, 2010 Minutes

The Spink County Commissioners, convening as the Planning and Zoning Board, met on December 28, 2010, at 10:00 am. Members Dave Albrecht, Jeff Albrecht, Brian Johnson, Craig Johnson, and Jerry Zerbel were present, along with Jessica Avery, Spink County Planning and Zoning Administrator. Mark Sodawasser was also in attendance.

Agenda

Motion was made by C. Johnson, seconded by B. Johnson, to approve the agenda. All present voted aye. Motion carried.

Minutes

Motion was made by J. Albrecht, seconded by Zerbel, to approve the minutes of December 14, 2010. All present voted aye. Motion carried.

Fine Discussion

Discussion was held regarding a letter that was sent to Mark Sodawasser, asking him to obtain a new building permit for a project and remit the payment of a fine. Sodawasser felt that the project description section of the building permit was too vague, and did not feel that he should have been given a fine. Avery requested that no exceptions be made, and that the fine be paid. Sodawasser agreed to pay the fine, and departed with no motion being made by the Board.

Pipeline Discussion

Avery and the Board discussed whether Spink County utility transmission route maps were public information. A local provider expressed concerns about the maps being made public. Avery will bring this concern to the attention of the State's Attorney, and report back to the Board. The disbursement of the Technical Assistance Grant was also discussed.

Adjournment

Motion to adjourn Planning and Zoning Board and reconvene as Spink County Commissioners was made by C. Johnson, and seconded by B. Johnson. All present voted aye, and the motion passed. Planning and Zoning adjourned at 10:15 am.

Attest

Jessica Avery

Director of Equalization, Spink County
